

Mena Insurance Review's 2014 Power 50 highlights the most influential individuals in the Mena insurance industry. Compiled by reader nominations, the list is not ranked in order of influence, although we have highlighted 15 people who were particularly highly regarded by our readers. Several people also feature in the list for the first time

Farid Chedid, chairman  
and CEO of Chedid Re

Chedid is known for his outspoken views on the Mena insurance market and it is therefore no surprise that he was often nominated by his peers. Chedid has grown Chedid Re from a small firm in Cyprus to a company offering solutions to more than 170 insurers in 22 countries in the Mena region and Europe. Chedid Re recently signed a strategic partnership with PartnerRe.
